## WHAT DO WE OFFER TO ASPIRANTS?

### Research & Development

India is fast emerging as a global R&D hub. DAD constantly keeps eye on global development in the field of design & gives significant opportunities to it's students to explore further.

### Sponsored Education

Wide community of DAD supports and sponsors the students who are committed to learn & explore their dimensions but financial distress do not let them to expand their wings.

### Easy Pay Education

"Flexible Payment Terms through Easy Installments. Needy students can pay small sum of money at regular intervals over a period of time, rather paying the whole amount at once."

### Study Now Pay Later

DAD understands the value of time. If you are really unable to pay & you are fighting against time, you do not need to worry. Just deposit supportive documents & start learning. Pay when you start earning.

### Earn While You Learn

DAD provides opportunities to students to earn while learning to meet their expenses. It exposes the students to the professional world before the actual employment through regular freelance assignments & events.

### Online Education

Online electronically supported learning system for distant students (across the country) who can not attend regular classroom programmes. They can earn the learning from the comfort of their home.
